# Rules of the Auction

1. Each person attending the auction will be required to register as they go into the auction rooms. The registration form will require your name, postal address, phone number and signature and identification of same. Each person will then be given a bidders number. If you successfully purchase any of the lots, you will be required to give the bidder's number to the auctioneer, to enable the auctioneer's clerk to prepare your receipt for payment.
2. Each lot will be sold to the highest bidder. Persons unfamiliar with auction practices should ensure that their bids are correctly acknowledged by the auctioneer. It is suggested that bids are called out, or that if a certain bid is called for, that the intended purchaser raises his/her bidder's number in the air to attract the auctioneer's attention for this bid. It is not recommended that you rely on the old nod of the head or wink of the eye to catch the auctioneer's attention for a bid. Standard auction procedure will be followed in the event of disputed bids as outlined in the auction conditions.
3. Payment for lots purchased shall be with CASH, BANK CHEQUE, VISA, MASTERCARD or MONEY ORDER. Personal cheques cannot be accepted for payment of purchase on the day, unless prior arrangements are made with  
John Hewitt 0400 887 871 or 9547 1487  
Visa and Mastercard attract a 5% surcharge
4. Successful purchasers of lots will be required to take their purchases with them at the end of the day, after they have paid for their purchases. Proof of payment will be a receipt from the cashier. You will be required to take your carry boxes or cages and your receipt to the lot collection clerk and produce your receipt. The show cages containing each of the lots you have purchased will be collected and placed in front of you at the point of collection. You will be required to remove the bird/s in each lot from the show cage and transfer it/them to your own caging facility. The vendor, his agent, the auctioneer or any of his staff will not be touching the birds. It is the sole responsibility of each purchaser to handle their own birds on collection.
5. Cameras, recording equipment, judging sticks and carry cages will not be allowed into the auction room or inspection area. Carry cages, clearly marked with the owner's name, may be placed in a designated area for collection after payment is made. The birds must not be interfered with or subjected to judging sticks, pens or similar objects.
6. If necessary, the organisers reserve the right to make any alterations, additions or deletions to this catalogue.

## **Auction - Terms and Conditions of Sale**

1. Subject to the vendor having the right to bid, the highest bidder shall be the purchaser, and in the event of any dispute arising the lot in dispute shall be put up again and the auctioneer's decision shall be final.
2. After the fall of the hammer no party will be allowed to retract his or her bid.
3. The auctioneer reserves the right to accept or refuse any bid or bids without having to state any reason or reasons thereof.
4. Prior to the commencement of the auction each intended bidder shall complete a registration form and shall receive a bidder's number. On the fall of the hammer the purchaser shall display to the auctioneer his/her bidder's number.
5. The purchaser/s may collect their purchase/s before the end of the auction by:
  - a) taking the sale slip for the auctioneer's assistant to the cashier;
  - b) pay for the purchase and have slip/s endorsed for payment by the cashier;
  - c) proceed to the allocated collection point with own carrying cage and evidence of purchase;
  - d) under the supervision of the official, transfer the purchased bird/s to their own carrying cage.
6. "ST GEORGE BRANCH OF BSNSW" acts as an agent only in respect of the goods to be auctioned and is not responsible for any faults or defects in any lot. Jean Painter, Bruce Bradford, John Hewitt, Greg Gregoriou and David Thorsby are the sole " ST GEORGE BRANCH OF BSNSW " representatives and their decisions all binding are final.
7. Intended purchasers must satisfy themselves as to the origin, age or condition of any lot in which they may be interested.
8. The vendor or the Organisers have the right to withdraw or substitute any lot or combine any two or more lots at their sole discretion.
9. The buyers taking delivery of the goods shall be conclusive evidence that the same are in satisfactory order and condition and fit for the purposes of which they are required.
10. Payment for goods on the day shall be by cash, visa, or mastercard. Personal cheques cannot be accepted for payment on the day, unless prior arrangements are made with John Hewitt 0400 887 871 or 9547 1487  
Visa and Mastercard purchasers attract a 5% surcharge
11. If any successful bidder shall fail to pay for their purchases on the day, the vendor or his agent has the right to resell the lot in any manner they think proper.

12. All lots must be removed at the completion of the sale.

13. Any scratchings are to be advised to the organisers by 7PM the day prior to auction day.

14. In all other respects the decision by any three of the " ST GEORGE BRANCH OF BSNSW " organisers – Bruce Bradford, Jean Painter, John Hewitt, Greg Gregoriou and David Thorsby will be binding and final.
